by Government are aimed at improving their farm productivity and quality of their produce, and then providing them with a market access to ensure a reasonable return from their investments. Focused attention is being paid to organize the growers into Self Help Groups (SHGs) and Financial assistance is being extended to them facilitating establishment of proper leaf collection system, transport arrangements and establishing proper partnership arrangements with the quality tea processing factories. The self help groups are provided with 100% grant for setting up of leaf collection centers, storage godowns, purchasing Leaf weighing scales, Plastic crates/nylon leaf carry bags. Transport vehicles are provided at 50% of the cost. Each SHG is provided with a revolving fund @ Rs. 10,000/- ha for meeting the cost of field inputs such as fertilizers, pesticides, sprayers *etc.* A special training on modern aspects of tea growing is organized for selected two members from each self help groups who in turn on completion of the training are expected to impart training to other members of the SHG and also take care of the management of the tea area under the command of the SHG. Besides meeting the training fee and boarding and lodging cost, each trainee is provided with stipend @ Rs. 500/- per month for next six months from the date of completion of the training.
